June 14, 2024,

Please see below for some updates and informational items:

FCA/Exams:

Some reminders about the FCA/Exam schedule:

- Today is period 4 FCA/Exam for grade 12 students and it is an extended period 4 for grades 9-11.
- Teachers will communicate with all students and families about when FCA/exams are, and what students are required to attend during the classes with no exams.
- During FCA/Exam days, if students do not leave the building after they are done, they are expected to be in the library. We need to keep the halls and foyer clear and quiet for students still completing exams or FCAs in learning spaces around the school.
- Buses are running at regular scheduled times during the FCA/exam days, so we encourage students to find alternative methods of transportation during these days if students are wishing to leave after they have completed their work.
