

NRHSAA Winter Indoor Spectator Protocols - as of December 3, 2021

Requirements: Must be double vaccinated and be 14 days beyond the second dose, must wear a mask indoors, must complete and pass the NRHSAA visitor screening (<https://covid-19visitorsselfassessment.dsbns.org/>) and follow staff directions.

*In order to respect the Non-DSBN school boards who **do not allow any spectators**, please remember to only allow a reasonable number of volunteer drivers (SAINT-JEAN-DE-BREBEUF, NIAGARA CHRISTIAN, ROBERT LAND ACADEMY)*

For spectator sign up information, a PDF will be shared on the NRHSAA website which includes all school links. (Use the resources link located at the top of the www.nrhsaa.ca home page). Spectators need to sign up by 1:30 in order to give time to prepare the necessary documentation for games.

For all DSBN site games, please direct parents to sign up by visiting the **Host school link**.

For all Independent site games, please direct parents to sign up by visiting their own **Home school link**. Visiting teams will then need to print off a hard copy of spectators to take with them to those schools (**for games at Great Lakes Christian and Smithville Christian only at this time**).
